HAIL AND KILL!!!

Finally the first issue of anti-trend underground magazine PAGAN KALEWALA is in your dirty hands... Fuck, it was a really hard work! The first issue was supposed to be in A5-size, it was supposed to be out in November '93, but I stopped doing it 'cos of some problems, sorry to ARCHGOAT, UNBURIED, VARATHRON etc... Well, I started again and here's the result... Hopefully you'll like it. As you see, there are no shitty trend bands in this magazine... Why should be? If you're into mainstream shit, this is not for you, FUCK OFF!!! Many zines of today are just pure shit with their big shit bands... Where's the underground??? All these interviews are very fresh and made with only Finnish bands... Simply, we have good bands here. There should also be NECROMANTIA interview, but Morbid was too slow... I can't take more delay. I don't know about the future issues, perhaps a newsletter next, in Autumn... Try to enjoy of this mag, I'm going to booze...

All artwork stolen from many books etc... All interviews/shit by Ari Honkonen. This issue costs \$4 or 15Fim. No other alternatives!!!!!!

Editor,

Ari Honkonen

Thanks to:

The KINGS OF METAL were in Finland 12.2.1994.
HAIL FINLAND, HAIL MANOWAR!!!

This is the first interview I got back...DECORYAH comes from Finland and because this band is quite original (and good in my opinion), I decided to make this interview with them...There are surely some writing mistakes 'cos Mikko's hand writing was so fucking bad! Ok...Let's go into this interesting interview

HI MIKKO! BECAUSE I'M SO FUCKING EVIL PERSON, I'M GONNA ASK YOU TO TELL YOUR LINE-UP AND SOMETHING ABOUT YOUR FUCKING HISTORY...SORRY THIS QUESTION!

-Well, this is a quite boring start...(You should be more famous to avoid this question, heh!-ED) If it's ok, I'll only tell it pretty briefly as I'm so fed up answering to this question! DECORYAH was originally formed in the late '89, then we had different line-up and style, which was pure shit. Some line-up changes followed & in early '92 first demo "Whispers From Depth" was recorded. I didn't play on this one & it's pretty weak release too. After it came some new line-up changes & finally we began to find our own original style. In December '92 we recorded our "Cosmos Silence"-demo and with it we got 7" ep deal with Swiss WITCHHUNT Records. "Ebonies"-7" was released in May '93. In July-September '93 we recorded our debut CD which is called "Wisdom Floats". It features 11 tracks (almost 70 minutes!) of atmospheric music with metal edge. It should be out at the time you read this. Please, check it out, I guess it's worth it!

YEAH, SURE, HEH! OK...NOW IT'S OVER, ARE YOU STILL ALIVE? I HOPE YES. ABOUT YOUR MUSIC...I FIND IT VERY INTERESTING, DARK AND BEAUTIFUL(ORIGINAL TOO). WHATKIND OF RESPONSE HAVE YOU GOT WITH YOUR 7" EP "EBONIES"?

-Thanx for those kind words, I hope you really mean them!!!(Of course, my darling!-ED). We mostly have gotten very cool response, much more than we expected. What really surprised me was to see how lots of black metal fans have been with DECORYAH, even if we sound nothing like black metal or what?! Thanx and hellos to all who have sent feedback to us!

YOU HAVE RECORDED YOUR FIRST CD NOW AND IT SHOULD BE OUT SOON FROM WITCHHUNT REC. AM I RIGHT? HOW WENT THE RECORDING SESSION?

-Yes, as I said, it should be out at the time you read this. The recording sessions went pretty well & we're also satisfied with the result. Of course there are some minor things that I would like to change, but I think it's good enough for a debut-CD!

HOW MUCH HAS THIS "EBONIES"-EP SOLD THIS FAR? ARE YOU ALSO SATISFIED WITH THE EP-DEAL?

-I guess it has sold about 1100-1200 or something like that anyway. Yes, we're satisfied with the deal & WITCHHUNT, they're very honest & we trust them 100%. No need to fear for rip-offs, when you deal with WITCHHUNT!

YOU MADE ONE ISSUE OF "URILIAH" MAG...WHY DID YOU STOPPED? IS IT TOO HARD TO MAKE A ZINE AND BE IN A BAND AT THE SAME TIME..?

-I think we stopped for the usual, which are lack of time and money. (Yeah, I know that feeling...-ED) DECORYAH & school takes pretty much of time & also our money went on band, so...sorry to all bands who should have been featured in URILIAH issue 2!

OK...I THINK THAT DEATH METAL HAS BECOME FUCKING STUPID. (ALSO BLACK-TREND HAS GROWN...) DO YOU LIKE SOME DEATH METAL BANDS? WHAT KIND OF MUSIC DO YOU LISTEN TO?

-No, generally I don't like death metal, most of it is just so fucking generic and braindead copying. I have no trouble in listening to AT THE GATES though they're ok (No way! Fucking boring technodeath in my opinion! Heh heh-ED) & also couple of others. I listen to pretty much different styles of music, about 50% of metal orientated music and about 50% to others. Some of the bands/artists I like are: LEONARD COHEN, DEATH IN JUNE, SIGH, KATATONIA, BATHORY, NICK DR-AKE, NECROMANTIA, DEAD CAN DANCE, TOM WAITS(early), CELTIC FROST, CANDLEMASS, TIAMAT, SWANS, ETERNE, UNHOLY, THERGOTHON, FIELDS OF NEPHILIM, ROTTING CHRIST, NICK CAVE, TINDERSTICKS, THE GATHERING, DANZIG, IN SLAUGHTER NATIVES, PINK FLOYD, ANATHEMA, VARATHRON, PRIMORDIAL and millions of others. Also lots of classical stuff like BACH, MAHLER, BRUCKNER, MOZART ("Requien"), BRAHMS, WAGNER etc.

WHAT'S YOUR OPINION OF NORWEGIAN "SCENE" AND THE SITUATION THERE? I QUESSE IT'S HARD TO FIND SOME "NON-BLACK-BANDS" FROM THERE, HEH!

-I have tried to keep something like "neutral" opinion about it. I like a lot some Norwegian bands like ENSLAVED, EMPEROR, FLEURETY, MAYHEM, BURZUM etc musically, but I don't want to comment their lyrics or images (Image is trend-ED) I might not agree with those, but who cares! And as I'm NOT satanist or occultist, I think there's no need to tell anymore.. Don't worry, I'm no christian either...(What are you, ufo? Ho ho hoo, just kidding.-ED) I have my own beliefs. Well, there actually are some great "non-black-bands" from Norway, especially GODSEND and also (Something...which was written so badly, that only Mikko knows..-ED) VERDUNDE & SKULD.

THIS IS QUITE STUBID QUESTION, BUT I'D LIKE TO KNOW YOUR AGES..? YOU SEEM TO BE QUITE YOUNG "BOYS", HO!

-Yeah, we're all pretty young, about 17-18 years old. But age is so relative...(Yeah, who cares about fucking age!-ED)

YOUR OPINION OF THESE THINGS: 1. KYSTO ZINE ISSUE 2? 2. OBFUSCATION? 3. MORNINGSTAR(Heh heh...)? and 4. IMPALED NAZARENE?

-1. I haven't read it, so it's hard to say. 2. Absolutely not my fave stuff, they're boring in my opinion... # 5

DECORYAH

3. Hah, you're begging for praises with this question??!(No dude, I don't have to beg any fucking funny praises, but I wanna know your real opinion, so speak!-ED) Honestly speaking, I like your "Inside..." -demo quite a bit, good Finnish black(/death). (More like pagan underground heavy metal nowdays-ED)
 4. I.N. are one of the very few ultra fast & brutal bands that I like. They don't sound too chaotic or glurry (Like eg. BLASPHEMY do). UG-RA-KARMA is great!

YES...IMPALED NAZARENE IS GREAT!!!
 LET'S GO INTO THE LAST QUESTION...
 WHAT IS THE MOST IMPORTANT THING TO DECORYAH? ANY FUTURE PLANS..?

-Maybe it's the atmosphere in our tracks, we don't care for so technical stuff, we concentrate on emotions. Also it's very important that we're 100% into our new tracks, we try not release any shit material. About future plans, we try sign a new deal with some label(might be also WITCHHUNT) and then release our 2nd album which we should go and record in this summer, but nothing is sure yet!

HOOOOO!!! WELL, THAT WAS QUITE SHORT INTERVIEW, BUT WHATTA FUCK! IF YOU HAVE SOME "TRENDY" LAST WORDS..

-Thanx for this interview & good luck with P.K. and MORNINGSTAR.
 (Well, thanx to you also and very good luck with your band and other sexual activities, heh!-ED). Both of our demos are sold-out, "Ebonies" is available for \$5(Europe), \$6(Elsewhere) and "Wisdom Floats"-CD for only \$13(Europe)/\$15(Elsewhere) from WITCHHUNT. Hi to all my friends!

IMPALED NAZARENE

Hey wimps! This band is surely one of the best in this planet. IMPALED NAZARENE is still alive...Read!!!! Kimmo answered my questions...

HO HOO...NO FUCKING HISTORY QUESTION 'COS EVERYBODY KNOWS IMPALED NAZARENE. MANY PEOPLE MAY WONDER WHAT'S HAPPENING RIGHT NOW IN YOUR CAMP...TELL ME YOUR LATEST NEWS...

-Well, we are going to do another contract with OSMOSE. Just resting now and doing new songs.

YOUR NEW ALBUM "UGRA-KARMA" IS NOW OUT FROM OSMOSE PROD...I HAVEN'T HEARD IT TO THIS DATE(Actually in the same day this interview came back from Luttinen, I got their new album from SPINEFARM REC....), SO TELL ME SOMETHING ABOUT IT... -12 songs of SUOMI-FINLAND-PERKELE-METAL.(YES!!! Really perkele-metal-ED.)

I'M JUST LISTENING TO YOUR "SATANIC MASOWHORE" 7" AND I NOTICED THAT AT LEAST THE GUITAR SOUND HAS CHANGED A BIT...AM I RIGHT? WHO'S IDEA WAS THE "DIABOLIC PENIS MIX"??!

IMPALED NAZARENE

-Well, we used other equipment than we did in previous releases, so it has changed into better direction, I think. D.P.M. was Mika's idea. (Nice idea, hoh!-ED)

OK MAN...YOUR OPINION OF THESE BANDS: 1. BELIAL? 2. SENTENCED? 3. BE-HERIT? 4. UNHOLY? 5. BURZUM?!

-1. Doesn't exist anymore. I didn't like them. 2. Definitely the best band from Finland. 3. Rules.(Yeah!-ED) 4. I have never liked doom, but I must say there are some good riffs in their music... 5. Who cares ? ARE YOU INTO INDUSTRIAL MUSIC OR NOISE? WHAT'S YOUR OPINION OF ANAL-CUNT? DO YOU GET INFLUENCES FROM OTHER BANDS?

-Sometimes I can listen to some bands, but not I'm not really into it. ANAL-CUNT rules. (Best noise!-ED) Well, I guess everyone get influences from other bands. But I don't get them from BM or DM bands.

CAN YOU RECOMMEND ME SOME GOOD PUB'S FROM OULU? HEH!

-ROCKOFF, ASSA 21, 45 SPECIAL.
(Thanx! See you there!-ED)

I HEARD THAT YOU DID HAVE A TOUR IN EUROPE, IS THIS TRUE/FALSE? IF YOU DID, HOW IT WENT?

-True, it went really nice, we were there only 5 days and drunk as fuck! (Really nice lifestyle!-ED)

ALLRIGHT WIMPS...THIS INTERVIEW IS OVER. ANY MESSAGE TO IMPALED NAZARENE "FANS"? THANX FOR YOUR WORDS!

-K.F.S. is the only law, Assholes! Hail Finland!

Well, everybody should order/buy their new album "UGRA-KARMA" and masturbate while listening to it! Should be a nice "experiense" Ho ho hoo!

IMPALED NAZARENE, Kuruvaarantie 3, 90630 Oulu, Finland. (Enclose 1-2 IRC(`s).

CEREBRUM is a new young death metal band from Turku, Finland. They started in summer '93 and their second guitarist left the band in the later summer. They got another guitarist soon and their line-up today looks like this: Toni-guitar, Vesku-guitar, Jani-vocals, Mikko-bass and Sami-drums. They play simple ordinary "death-metal", but their style is going further away from it. They have made one demo, which has been selling quite good and it's available for 15Fim(Finland), \$4(Europe) and \$5(Overseas). Also their reh.tape should be soon available and watch out their new releases in summer '94. They have made 3gigs till now. Their contact address:

AGATUS: A Night of The Dark Ages Demo

Black metal from Greece... This doesn't sound ROTTING CHRIST, this is quite original stuff. 3 exotic tracks with very dark feeling and powerfull riffs. This is something like a mixture of VARATHRON, BATHORY VENOM and MANOWAR. The first song, which is intro, sounds medieval folk music... Great!!! Support this great and original band and order the demo by sending \$5 to: ESKART, P.O.BOX 41839, Anthoupolis 12103, Peristeri, Athens, Greece

CONGESTION: Bed of The Ancient River Demo '93

What... This was a real suprise for me! Very primitive sounding "old death / gothic" stylish music... I hear some CELTIC FROST influences (my fave band... at least one of them!). I must say that I like this simple stuff. 3 tracks of quite good sounding metal available for \$5/20 Fim from: M.Tuominen, P.O.BOX 8, 11101 Riihimäki, Finland.

ATER: ORS Demo 93 (?)

Allright... Here we have 4 tracks + intro and outro of dark, heavy and maybe a little thrash-stylish music. They have a lots of acoustic guitar and key parts, so this isn't any stubid "BAY-AREA" shit! The vocals are quite usual, but still ok... The atmosphere of this Finnish band is a bit evil, sad and I guess there's some hate too. The intro is very simple, like the outro too, but there are some "REAL" feeling in those. The price is \$5/20Fim (\$6 Elsewhere) Orders/info to: c/o J-P Aho, Luomatie 4, 61100 P-Joki, Finland

BLACK DAWN: War Against Christians Demo '93

#10

BLACK DAWN plays satanic death metal. This sounds like DEICIDE for me... I'm not a big death metal listener (only old death is for my taste). Well... This is more brutal than fucking DEICIDE and the vocals are better. The sounds are quite typical "death" sounds. I don't know the song titles 'cos I didn't get the democover, only the tape... There are some stupid vocal parts, but anyway, this is listenable. \$5/20Fim (\$6 Elsewhere) to: Janne Kuru, Juvosentie 2, 60550 Nurmo, Finland.

ARCHGOAT: Penis Perversor-Live Demo

Huh huh...This sounds very brutal and angry stuff. Almost 20 minutes of Finnish black metal...I like this stuff! The sounds are so fucking HEAVY! The vocals are different than most of these northern black bands have. VERY BRUTAL stuff, nothing more to say. Send a blank tape+postage to: ARCHGOAT, Askais-tentie 21, 20810 Turku, Finland

VARATHRON

VARATHRON: His Majesty At The Swamp Lp(ADV.)

Again we have some really good stuff here...VARATHRON from Greece have released their first full-length album and this contains 7 tracks.

The songs are very interesting ones and this is 100% no wimpy stuff! Beautiful melodies, dark feeling, quite original sounds and what can I say... Fucking cool! Well... This sounds a bit like ROTTING CHRIST, but this isn't so brutal. FUCK, I don't remember the label!!! Anyway, I guess that everybody have already bought this...

The demo is quite old by now but whatta fuck! The music of this band is somekind of melodic black/heavy/thrash...This is also more original than these "normal" black bands...The vocals are perhaps the most "common-sounding" thing from this band. Their sounds aren't very usual, they have ok sounds, only the drum sounds aren't very good. They have really nice keyboard-parts and very dark atmosphere...Really exellent stuff!!! The demo contains 4 tracks and I think it's still available for (\$3 U.S.A.) and (\$5 Europe) from: GRAND BELIAL'S KEY, P.O.BOX 23455, Alexandria, VA 22304, U.S.A.

GRAND BELIAL'S KEY: Goat of A Thousand Young Demo '92

This is maybe the best band from U.S.A.

Ancient Rites

ANCIENT RITES: Evil Prevails...7"

This is already quite old recording but I just got this so I wanna make a review of this little piece of vinyl. The music sounds a bit like old thrash with a little black death touch...The sounds are quite different like the vocals too. 4 tracks + intro of old sounding dark metal. I guess this ep is still available at least from Wild Rags...I don't know the price, \$5/\$6 should be enough Wild Rags Rec. 2207 W. Whittier Blvd, Montebello CA 90640 U.S.A.

OBfuscation: Windows of The World Demo '93

OBfuscation plays grind/death...and in the vein of CARCASS. Unfortunately this is not very original stuff, quite boring would be the right word to describe this stuff...The sounds are ok, but they should create something different to keep at least my ears in their music and their techno parts sucks! Anyway, the price is 20Fim/\$4(\$5 Elsewhere)

ALASTIS: The Just Law Lp

This was a little surprise for me... The music is very simple and interesting "Doom"-stylish music. The guitar riffs are cool and there are no any stupid techno things. The sounds are a bit like BURZUM (The guitar sound I mean) but this is quite original and good stuff from Switzerland. The price is \$15 and get it from: Head Not Found, P.O.BOX 447, 1701 Sarpsborg, Norway.

GRAVELAND: In The Glare of Burning Churches Demo '93

Black metal from Poland...This demo contains 5 tracks of quite "normal" black metal with BATHORY-influences and the vocals are not so original. Anyway this stuff works and it's better than 90% of the "scene". Address elsewhere...

LORD OF PAGATHORN

LORD OF PAGATHORN

LORD OF PAGATHORN was formed in August/September '92 as a very primitive-skilled black metal band. They did not have bassplayer at all. They played this kind of music to July '93, tired and changed their musical style to "Occult Atmospheric-metal". They have made couple of reh.tapes and their recent offering is a promo-demo which was recorded in the late January '94 and it is available for 20Fim/\$5 in Europe, \$6 Elsewhere. A big YAWN...Black metal is a big trend and there are tons of tapes like this. UTUK XUL have nothing "new" to give. Typical "black" vocals, quite bad sounds etc...The lack of originality is the most weakest thing here. 4 tracks of "CULT FASCISM METAL" like they describe this (Nazis..?) BEHEMOTH

BEHEMOTH: The Return of The Northern Moon Cassette ep '93

Pagan black metal from Poland once again. The music of BEHEMOTH is very near of "norwegian" stuff...from the vocals to guitar riffs. Quite ok stuff anyway, but not very original unfortunality. Some really good guitar/keyboard parts if you listen more carefully. The sounds are also good enough to my ears. 5 tracks+HELLHAMMER cover(yeah!!!!!!!) The price is \$5 and orders to Pagan Records...For info etc write to: c/o Nergal, Ul. Pomorska 14 G/9, 80-333 Gdansk, Poland.

MYSTIFICATION

MYSTIFICATION: The Choir of Death Demo '93 (?)

This is quite confusing...Average death-thrash is the name of the game. Nothing new or special to offer. The demo contains 4 tracks. The vocals+music are a bit influenced by BOLT THOWER, I think. No Bay Area shit anyway! The demo cost 20Fim/\$5 (\$6 elsewhere). c/o P.Kolehmainen, Raviradantie 4 A29, 70100 Kuopio, Finland.

Lacerated Gods

LACERATED GODS: The Sanic Bloodspraying-Live tape

Old black/death sounding metal from Germany. Musically this is quite ok stuff(in the vein of SODOM, BATHORY, DESTRUCTION etc), but the vocals are not so good and I don't like their stupid "Nazi"-image... Anyway this tape contains 6 tracks with ok sounds. It's available for a blank tape+postage from: LACERATED GODS P.O.BOX 3024, Langelsheim-Wolfshagen 38683 Germany:

BEHERIT: Drawing Down The Moon Lp

This is GREAT!!!! RULEZ!!! In my opinion, this is the best black metal album(At least one of the best). There are NO weak tracks at all and the atmosphere is really DARK, PAGA and OCCULT. Total 13 tracks of very good sounding and original black metal. Great riffs and keyboard part mixed with powerful drumming and Holocausto's diabolic vocals. Get this from Spinefarm Rec. Lp=\$10/70Fim, Cd=\$15/100 Fim. Add \$3 for postage. Spinefarm Arkadiankatu 20 B 00100 Helsinki, Finland.

GRAVELAND is a Polish black/pagan metal band, which was formed in the unholy winter 1991-92. Darken was the mainmember of the band and GRAVELAND did couple of promotapes like: "Necromanteion" and "Dr-unemeton" before Capricornus joined the band in the late winter '92. Together they recorded promotape "Epilogue" and demo "In The Glare of Burning Churches". Nowdays they have a third member called Karcharoth. Their music sounds a little bit of old BATHORY, but they're good.

Well... Petri Poskiparta and Ari Varonen arranged this underground-party in TURKU in 15.1. '94. This gig was in A-Panimo, where haven't been any gigs for a long time. Ok... NECROBIOISIS was the first band to hit the stage. Their show was really wild and in my opinion, they're very energy live band. The second band was ARCHGOAT, which was really nasty-looking and brutal. They have no bass player, but their extremely heavy guitar sounds saved the situation. Their bloody show is not for wimps! Then came DISGRACE with quite long set. Their show was also good but I didn't saw the whole set 'cos I was preparing for my own band's gig... Finally we (MORNINGSTAR) came to the stage and started to play. We played also some new songs and people liked us. (At least they told me so, after gig). The gig was ok and hopefully there will be more like this... Thanx to arrangers!

It's nice to write an article of your own band...Here's my band MORNINGSTAR and here are some information about us....

The original name of the band was TESTATOR and I formed this band in the late '89. We had another guitarist in the beginning, but he decided to leave the band, so we were a trio. TESTATOR made one shitty reh.tape and the music was quite dark, old death/blast. In the late '90, the name changed to THOR'S HAMMER, which also made one shitty reh.tape. The line-up changed many times again and the music changed more faster with mystic lyrics. The name changed to MORNINGSTAR in the late '91, then came more line-up changes, couple of reh.tapes, couple of gigs before the debut demo "Obscure Aurora above Us" in '92. The bands line-up changed again and the music changed to more original style. In '93 we recorded our second demo "Inside The Circle Of Pentagram" which got great response, sold very good and it was a very aggressive demo. After this demo, came more line-up changes, more gigs and we recorded a new tape in the beginning of the year '94, hopefully it'll be released by some label. The new line-up of the band is: S.Satyr-guitar/vox, S.Wel-bass and S.Monster(ex-astralsoul)-percussion. We have played 12 gigs till now and we're planning to start recording our debut album in the summer '94. Our music is "Underground Heavy metal" with some old death, old thrash, old black-metal and heavy metal+ folk-influences. There are some bands which influences us: old RUNNING WILD, old SLAYER, old DESTRUCTION, old MANOWAR etc... The only thing available now is "Inside..." demo or a blank tape+postage(2 IRC's tai p-stari suomessa.). If you write us, enclose IRC for reply. Death metal is fucking boring nowdays...Trend trend, trend...Fuck!!! Quess what? There's still at least one listenable death metal band here in our filty planet. RIPPICOULU comes from Finland and everybody into really good death metal, should order their stuff. Very brutal, low-tuned music with Finnish lyrics...Enough? READ!!! Marko answered...

ALLRIGHT MAN...RIPPICOULU IS ONE OF THE FEW DEATH METAL BAND I'M INTO. GIVE US A SMALL BIO OF YOUR BAND AND LATEST NEWS...

-I'm glad that you like us!(Yeah! -ED) Well, RIPPICOULU is formed in Autumn 1990 as a hardcore/punk band. We have done two demos, which first is "Mutaation Aiheuttama Si-säinen Mätänenminen" (I'm tired to write this title, it's too long!) (I'm also tired to write that, heh -ED) and the second is of course "Musta Seremonia". We have received one record deal with our first demo, but we have been ripped off, so I don't talk anymore about it. Nothing big news right now, only is that we have changed our bass-player, so our line-up is now: Anssi-vocals, Olli-guitars, Marko-guitars(That's me!), Axa-bass and Toni-drums.

OK...YOUR DEMO "MUSTA SEREMONIA" HAS VERY LOW-TUNED GUITARS AND IT IS REALLY HEAVY STUFF. ARE YOU SATISFIED WITH THIS DEMO? HOW MUCH IT HAS SOLD THIS FAR AND IS IT STILL AVAILABLE?

-I'm very glad that we made that demo. In my opinion it's fucking great! (Readers, if you think that I talk like this for commersial reasons, I'm not.) We have sold this demo about over 200 copies for now and it's still available. The price is 20Fim/\$5. Yes, we have very low-tuned guitars and we created our guitar sound with very unique equipment. You won't believe when you see our guitar amplifiers that we have played our demo with them.(Hmm...I also use quite different/unique amps in my band MORNINGSTAR, to create my own sound.-ED)

YOUR LYRICS ARE IN FINNISH... WHY? I MEAN IT'S DIFFERENT OF COURSE. WHAT ARE YOUR LYRICS ABOUT? YOUR SONG TITLES ARE QUITE DARK, GLOOMY...

-Everyone seems to ask this. Well, that thing has stayed with us from the ancient hardcore days. Our lyrics are about everykinds of dark things, I'm not sure about them, 'cos those lyrics are little weird.(??!!-ED)

FINNISH DEATH METAL "SCENE" IS QUITE BORING...WE HAVE LOTS OF BANDS, BUT THEY'RE NOT SO ORIGINAL. (Except couple) YOUR VISION...

-Do you think so???(YES!!!-ED) Well, there are not so many of original bands, but that problem is all over a fucking globe(That's true!-ED), next question...

YOUR OPINION OF THESE THINGS: 1. BLACK METAL? 2. NAZISM? 3. JEHOVAS? 4. PRIMITIVE DEVILWORSHIPERS? 5. "LEGENDARY FINNISH BOOZE KOSKENKORVA"?

-1. black metal is fucking great music form. (Also a new trend!-ED)
2. I don't care (Nazism sucks!-ED)
3. Religion among others, not interesting. (They're fools!-ED)
4. TRUE devilworshipping is ok. (Hah! Slaves worship...-ED)
5. I prefer beer or Marlin omenaviini. (Beer is ok, but omenaviini...terrible!-ED)

AARIGHT, LET'S TALK ABOUT SOMETHING ELSE...IS THERE ANY BANDS YOU GET INFLUENCES FROM? MENTION SOME GOOD MUSIC...

-Of course there are lots of bands that has influenced us. Olli is our main song writer, so he knows better, which bands has influenced us. Good music...Well, I would mention MY DYING BRIDE, BURZUM, IMMORTAL, AUTOPSY, DARK THRONE, PROPHECY OF DOOM, CARCASS, XYSMA, ROTTING CHRIST, FUNERAL, CRUCIFIER, ENSLAVED(nor), ANATHEMA, CATHEDRAL, (early) CELTIC FROST/HELLHAMMER (This guy know what are he talking about!-ED), IMPALED NAZARENE, BEHERIT, THERGOTHON&UNHOLY for example.

HUH, THAT WAS A LONG LIST...YOU HAVE PLAYED HARDCORE IN THE PAST, ARE THERE STILL SOME HARDCORE BANDS YOU LISTEN TO? HAVE YOU HEARD FINNISH "KANSA TAISTELI"?

-Yes we did, but I don't listen to hardcore anymore. I haven't heard "KANSA TAISTELI" at all. HAVE YOU BEEN "RIPPED-OFF" MANY TIMES? ANY MESSAGE TO FUCKING RIP-OFFS???

-As I said before in answer no.1, we have been ripped off by record label, oh I didn't remember to mention the name, it's SERAPHIC DECAY Rec. (Once again...Hopefully they will be dead meat soon!-ED) Rip-offs can fuck their mothers! LET'S DO SOMETHING FUCKING DIFFERENT...PLEASE, ASK A QUESTION FROM ME...

-1. Tell me about your room where you live... (OK...IT'S A QUITE NORMAL ROOM, SOME FLOWERS, DESK, BED, CHAIR, MY STEREOS, VIDEOS, RECORDS...I'M LISTENING TO MANOWAR RIGHT NOW...QUITE BORING ROOM ANYWAY.

-2. Where is sun when it's not there where it used to be when it is other side of the globe, but it is not there? (A bit restless question)... (BLAAAH...YOUR FUCKING JOKES ARE SO FUCKING BAD AND BORING, SO I'M TOO TIRED TO ANSWER, FUCK YOU, HEH HEH!)

#19

ALLRIGHT, THANK FOR YOUR WORDS AND GOOD LUCK TO YOUR BAND...LAST FUCKING SCREAM...

-Thanx to you "Syntinen" for the great interview (Well...HAH!-ED). Support RIPPIKOULU and order our demo! Need to say anything else??

Well, not actually! Now everybody contact RIPPIKOULU and support their fucking/vitun band...

AS you can see, THIS zine contains only original/unique bands...One of those is Finnish UNHOLY...I guess that everybody already knows something about their history and have heard their music, so let's NOT speak so much shit in the beginning. Jarkko answered kindly and fast...READ!

HAIL TO YOU GUYS! WHAT HAS BEEN HAPPENING IN "UNHOLY-CAMP" LATELY? TELL ME YOUR LATEST NEWS AND FEELINGS..?

-Terve!(No terve terve!-ED) In fact it has happened quite a lot of things. For example we have been rehearsing for our second album which AVANTGARDE MUSIC will produce. The reason for changing a label was that Michael Piesch of LETHAL RECORDS unfilled His duties for us. In other words He is a rip-off guy. (I know that too...-ED) Well anyway AVANTGARDE MUSIC is ready to give huge budget for our next album, so we can spend a whole month in a studio. The recordings of our next album will start at 1 March and the album should be out in about 3 months. About feelings...that's my own business.(Stoned..? heh,-ED) YOUR DEBUT ALBUM "FROM THE SHADOWS" WAS A REAL MASTERPIECE IN MY OPINION. IT WAS SOMETHING VERY DIFFERENT ...WHAT CAN WE EXPECT FROM YOUR SECOND ALBUM..?

-Our new compositions have more feeling and also our lyrics are very serious & not so much fictional in "FROM THE SHADOWS".

OK, WE'LL WAIT YOUR NEW ALBUM, BUT LET'S TALK ABOUT THIS SHIT-THING CALLED "MEDIEVAL DEVIL WORSHIPPING". (SURELY A NEW TREND...OR "OLD" WOULD BE THE RIGHT WORD). WHAT'S YOUR OPINION OF IT? WHAT'S YOUR OPINION OF THESE BANDS WHO TRY TO BE AS "EVIL AS POSSIBLE AND DENIES INDIVIDUALITY? SLAVES LIKE CHRISTIAN BELIEVERS..?

-It is for persons who are mentally ill and/or want to shock "normal" people. Of course it is slavery if some blindly believes what someone

other says or writes. Just look at these Lavey followers, they imitate His ridiculous inverse christian rituals like some clowns! Rituals are for circus people.

OK...LET'S LEAVE THAT TOPIC. I HAVE HEARD FROM MANY PEOPLE THAT YOU HAVE/HAD/SHOULD HAVE A TOUR IN EUROPE...IS THIS TRUE? WITH WHICH BANDS YOU WOULD LIKE TO PLAY LIVE?

-Yes. Our tour was cancelled because LETHAL RECORDS didn't give anything but lies for us. AVANTGARDE MUSIC arranges an european tour for UNHOLY in summer '94. Well, OPHTALAMIA didn't want to tour with us but I hope AVANTGARDE MUSIC will find a suitable second band for our tour. Year ago BEHERIT refused. I don't care. The main thing is that UNHOLY will tour.

I JUST GOT IMPALED NAZARENE'S NEW ALBUM "UGRA-KARMA"...HAVE YOU HEARD IT AND IF YES, WHAT'S YOUR OPINION OF IT...?

-I haven't heard it and I don't like their music though their live shows are funny. (Not funny anymore. -ED)

LET'S TALK ABOUT ONE OF THE MOST INTERESTING SUBJECT (IN MY OPINION) CALLED SHAMANISM...YOU SAID THAT YOU'RE SHAMAN.

OLETKO LANGENNUT "LOVEEN" USEAS-TIKIN? HAVE YOU BEEN IN A FORM OF SOME ANIMAL ON YOUR WAY TO BEYOND?

-Mihin hemmetin "loveen"? (Tarkoittaa transsiaiin vaipumista.-ED) First of all, there are different kind of shamans: some of them can SEE (like I do), some of them can change their shape, some of them can fly, some can heal etc. I can't change my shape, but I really can see&hear Allies when they arrive. At first it will scare you to death when you meet an Ally, but later you will accept their appearance as "natural" as this text you're reading now. Some day there is a possibility that you can make an Ally as your helper...It is pretty useless to describe true sorcery with words. You have to experience it yourself so you understand that world is really something else as you see it in normal consciousness.

YOU SAID THAT YOU USED MUSHROOMS... WHAT ABOUT MAGICDRUM? HAVE YOU USED IT?

-I don't need magicdrum, I can SEE without it.

I SEE...ANYWAY, MENTION SOME GOOD ZINES/MAGS YOU LIKE..? YOUR OPINION OF "SHIT-PAPER-MAGAZINE-METAL HAMMER"? PERSONALLY I HATE THESE "MONEY MAKING PIECE OF SHIT" MAGS WHICH DON'T UNDERSTAND A REAL MUSIC LIKE BEHERIT ETC...

-I don't know any good zine. (You are reading a good zine right now, heh!-ED)

WHICH RECORDS OF THESE YOU WOULD DESTROY? ENTOMBED, THE BLACK, A-BRUPTUM, MAYHEM, DARK THRONE, BURZUM, DISMEMBER...SOME OTHERS?

-Everything except THE BLACK. To ABRUPTUM album I would also shit! HUH...LET'S GO INTO OTHER QUESTION...I HAVE READ THAT YOU'RE NOT INTO "COMMON" UNDERGROUND MUSIC AND ALSO LISTEN TO SOME MORE UNIQUE BANDS LIKE LED ZEPPELIN... MENTION SOME OF YOUR FAVES?

-I listen to what I like (Of course! I do also.-ED) and I don't like todays ug. My faves are: (old)PINK FLOYD, some LED ZEPPELIN tracks, VELVET UNDERGROUND (banana), TANGERINE DREAM, H.Aram Gulezyan, György Ligeti etc. LET'S GO BACK TO YOUR MUSIC... WHEN YOU'RE IN A STUDIO, DO YOU PLAY LIVE? I MEAN THAT ALL INSTRUMENTS AT THE SAME TIME EXCEPT GUITAR SOLOS/VOCALS/KEYBOARDS...

-We play the pilot track live then drums, guitars, bass, keyboards and finally vocals.

ALLRIGHT...THANX FOR YOUR WORDS AND GOOD LUCK TO YOU. LAST MESSAGE TO YOUR FANS AND PERHAPS TO SOME "UNTERMENSCHEN". TOO...?

Price is only \$17 (includin postage), weird&evil design, both sides&sleeves printed. PECCATUS ALTAR

ISSUE 1

PECCATUS ALTAR MAG. comes from Lithuania. Very professional printed zine, good lay-out, 50 pages (the size is a little bit bigger than A4). And the negative things... Poor English, bad (trendy, boring) questions. The interviews are so short... Anyway there are quite many interviews with bands like IMPETIGO, SADNESS, DEMIGOD, BURZUM, ANATHEMA, NAPALM DEATH and many more, also many articles and scene reports. The price is fucking cheap: \$3!!! I guess this is still available. PECCATUS ALTAR MAG. c/o Ugnius Lioge, Mokyklos 3-82, 2021 Vilnius, Lithuania.

DROWNED IN BLOOD

ISSUE 1

Another magazine from Lithuania. DROWNED IN BLOOD is also printed zine, but not so good quality like PECCATUS ALTAR. 50 A4-pages, but no photos in my issue!!! Lots of very short, boring, trendy interviews with SENTENCED, FURBOWL, THRONE OF AHAZ, ABSU, LUBRICANT etc... No articles at all and some very short reviews. the price is \$3. DROWNED IN BLOOD, c/o Marius Kairys, Plechaviciaus 27-36, 3043 Kaunas, Lithuania.

ISSUE 1

NORTHERN CROWN is a Finnish written zine. This first (and last) issue has 80 A5-pages, not very good lay-out, but some interesting bands like BEHERIT, ARCHGOAT, THROMDARR, WINGS, MORNINGSTAR (HEH!) and many more... Couple of articles and reviews. This is sold-out now, so no orders. This guy has a little promotion-system now, so if you're interested, write to: I CAME FROM DARKNESS PROMOTION, c/o Tuomo Kylliäinen, Karhumäenkatu 1, 53850 Lappeenranta, Finland

ISSUE 2

CERBERUS is a Finnish fanzine, which is written in English. About 30 A4-pages, clear(very good quality photos, lots of reviews and articles, reduced text and tons of interesting interviews of bands like CENOTAPH, ABNORMITY, ANCIENT RITES, DENIAL OF GOD, MULE SKINNER and many more. I don't remember the price...Perhaps 15Fim/\$3/\$4 is enough, but I think that this issue might be sold out. New issue(3rd) is out when you read this(There will be at least MORNINGSTAR interview, Hah hah...I'm so evil, heh!) Write to: CERBERUS ZINE, c/o Asmo Moisanen, Iskunurkka 4, 92600 Pulkila, Finland.

Pagan Rites

PAGAN RITES: Promo-
demo '93

Pagan Rites plays undreground heavy metal with black metal vocals. Musically this is not so "Heavy metal" than for example my band (Morningstar), but anyway this is better than average black metal. Good sounds, some nice normal vocal parts, very good riffs...Nothing negative to say, except some mistakes made by drummer. Musically this is something like "MANOWAR meets VENOM". This demo contains 4 tracks and they have made a new demo called "Pagan Metal" too. Each demo \$5, both \$9. PAGAN RITES, c/o Thomas Karlsson, A-Ringe 121, 302 55 Halmstad, Sweden.

SACRILEGIOUS

SACRILEGIOUS:
Demo 2 '93

Here we have 5 tracks of sick black metal. The guitar sound is fucking brutal, really raw. The sound of drums is fucking bad. Musically this sounds a bit like BURZUM, so a bit more originality would be nice, boys. Anyway the vocals are not so typical screaming. the price is 10Fim/\$3. SACRILEGIOUS, P.O.BOX23, 32441 Alastaro, Finland

Anal Cunt

ANAL CUNT: Morbid Florist 7" ep

Really BRUTAL music! (Or noise!). This ep contains 9 tracks of ultra fast noise-core, so forget shitty NAPALM DEATH! The sounds are very brutal/raw ones. There's also one cover song and on the whole, this is quite good ep... Best NOISE for sure! Order this one from RELAPSE, if you don't find it from your local recordstore. The band contact: ANAL CUNT, P.O.BOX 101, W.Newton, MA, 02165, U.S.A.

CARICATURE

CARICATURE: Garden Promo-Tape '93

Finnish CARICATURE plays BLACK SABBATH-stylish doom/rock/whatever metal. I can also heard some new CATHEDRAL influences. The vocalist tries to sound like OZZY, but it doesn't work so well... The sounds are quite ok and this tape contains 8 tracks and one of them is old track, which was also on their '92 promo tape. Actually this is quite catchy stuff. I don't know that is this tape available anymore, but write and ask... CARICATURE c/o Perttu Noponen, Mikonkatu 10 A9, 50100 Mikkeli, Finland.

Dark Moon 'zine ISSUE 1

This first issue of DARK MOON 'zine has 32 A4-pages and 15 interviews with BEHERIT, ROTTING CHRIST, VARATHRON, ARCHGOAT and many more, but no articles/reviews at all! The outlook is quite boring, only couple of photos etc, but the interviews/bands are interesting. This is written in English and the price is 20Fim/\$5 Europe, \$6 Elsewhere. (perhaps a bit too much.) DARK MOON ZINE, c/o T. Hakonen, Elementintie 19 B26, 33720 Tampere, Finland. Issue 2 out soon!

ISSUE 1 Evisceration 'zine

This Lithuanian zine EVISCERATION has 44 A5-pages. The quality isn't very good and the language is bad too. Couple of interviews with IMPETIGO, DARK TRANQUILLITY, GOD FORSAKEN etc + some articles and reviews. The price is \$2+IRC Europe and \$3 Elsewhere. Written in English. The second issue out soon. BLACK DAWN

BLACK DAWN is a very young death metal-band from Finland. They started in '92 with a different name which was INFERNAL. They changed the name to NOCTURNAL FEAST and made one demo called "Hymn to Darkness", which is still available for a blank tape+postage. After that demo, they changed their name to BLACK DAWN and in May '93 they recorded their second demo called "War Against Christians". This demo contains 5 tracks of Satanic death metal+introrgasm, for more details, read the review. They had some line-up change and those with "wrong attitude" were kicked out of the band. Their line-up nowadays looks like this:

Janne-vocals, Tero-guitar, Marko-guitar, Ville-distorted bass and Jani-drums. Their lyrics are about true satanism, hate, blasphemy, perverted fantasies etc..... All lyrics are made by Janne. The main-songwriter is Tero. If you want to contact them, enclose 1-2 IRC's and write to BLACK DAWN, c/o Janne Kuru, Juventusentie 1 60550 Nurmo, Finland.

"Tristesse"
Features three songs (40 minutes) of slow depressing doom tragedy with two vocalists. The demo comes with cover/lyric-sheet and has great sound quality (studio recording).

Send 5.00 dollars (35 nok) or a blank tape and 2 IRC.

ROTTING CHRIST

ROTTING CHRIST: Thy Mighty Contract I

This album was released a while ago by OSMOSE Prod. Well...ROTTING CHRIST is back with their unique "Greek-sounding" music. Nice melodies, good riff and very atmospheric keyboard parts..

There are no weak tracks. Musically this is not "black" metal...This is their own style. I'm a bit more into their old mini-lp...ok stuff

Lavra

The last band in this issue is also from Finland...LAVRA(ex-sceptical schizo) plays very original, dark, beautifull music...Hard to describe with just words, you have to hear 'em...Ok, let's hear Mikko(drummer) and stop the lights...

OK, HOW'RE YOU FEELING TODAY, MIKKO? ANY NEW NEWS FROM SCEPTICAL SCHIZO (LAVRA nowdays...) CAMP? YOUR OPINION OF FINNISH SPRING..? IS IT COLD THERE IN NOORMARKKU?

-Thanks, I'm feeling ok, a bit blue maybe, but I think it'll pass away. It's cool though, coz I just finished my 1st year at the university and I'll have a long vacation now and concentrate on my hobbies more. Now it will also start to happen around the band, as it has been a bit stagnant due the studies etc. We have finally found our new name, which is LAVRA and our debut Lp will be finished soon (Finally!) and it's turning out great, in my opinion. (Yeah, I'm sure of that too!-ED) Funny you asked about the weather, as it's really a shiny, warm day today (and it is nice, usually I get bored with sunshine in the summer, but I love it the couple of first days every year!). I really love the Finnish spring. It's my fave time of the year (though I like the other seasons too!). In contrast to summer, which I don't find that attractive, spring has got something unique, it must have something to do with that awakening-stuff...

A NICE LONG ANSWER, THANX! EVERYBODY INTO SCEPTI...OUPS!...LAVRA SURELY KNOWS SOMETHING ABOUT YOUR HISTORY, SO LET'S NOT TALK ABOUT IT SO MUCH. ...WHAT HAS HAPPENED AFTER THESE 2 GREAT EP'S..?

-Basically nothing much, except we have written the songs for the Lp tape and developed a lot as a band and human beings. The new material of course reflects all this, so it's useless to wait the same sort of music from us anymore. Keeping still is the worst thing that can happen to people/bands, and we want avoid this, we have to change to keep ourselves satisfied and to realize our visions.

OK, LET'S WAIT...ANYWAY, I QUESSTHAT YOUR EP's HAVE ALSO SOLD VERY WELL...AM I RIGHT? IS IT TRUE THAT THESE BOTH EP MATERIALS ARE ACTUALLY FROM THE SAME RECORDING/TAPE? ARE YOU STILL SATISFIED WITH THEM..?

-Yes, to both questions. Or I don't know, it depends if you consider over 500 copies of self-financed 7" ep (without any extensive marketing maneuvers) much? (Yes, it's quite a much for a self-financed "no-trend" music.-ED) I have heard the other ep ("The Plight") was sold out quite fast, but I really don't know much about it. And if it's true, I'm a bit surprised, as I think it is not very good piece of music, the debut 7" is much better. But overall I'm satisfied with the ep's, they depict quite well our band as it was 2-3 years ago. The 4 songs were really recorded during the spring '92 and released in sets of two.

OK...THAT CAME CLEAR. YOU HAVE SAID THAT YOUR MUSIC HAS CHANGED A LOT FROM THESE EP TIMES...MORE INFORMATION, PLEASE!!!

AT LEAST YOUR EP "STYLE" IS FUCKING ORIGINAL, GREAT, DARK AND VERY ATMOSPHERIC! IS IT ANYMORE..?

-Ok, it's hard for me to describe all the changes and our sound in general, but I have actually given it a bit thought. I'd say we're nowdays more harmonic and that means both melodically and rhythmically, we have experienced that heavy metal based rhythms do not match our sound and we try to avoid angularity and we try to achieve a certain level of natural fluency and somewhat "psychedelic" stages, I know this sounds a bit metaphysical, but we try to think of music as waves and we try to do large, smooth waves and find some emotion. Also I'd said we have become less and less restricted by any norms or "rules" how we should sound or whatever and that's cool I think(Yes! I think also so...-ED) WE still try to express moody, sad and somewhat "pompous" feelings, but we have some new ways to do it. On the surface, you can hear it through massive load of keyboards, clear vocals and ringing guitar webs. I believe it is still original, dark(whatever that means?) and atmospheric, but a lot stronger than before.

CAN'T WAIT FOR YOUR NEW STUFF, ARGH! YOU HAVE PLANNING TO CHANGE YOUR NAME TOO...RIGHT? IS THERE A NEW NAME NOW? WHAT'S WRONG WITH "SCEPTICAL SCHIZO"? DOES THIS NEW NAME DESCRIBE YOUR NEW "STYLE" BETTER OR WHAT?

Lavra

-Yes, we have a new name now, it is LAVRA and I think it sounds beautiful and fragile and it suits to our music. SCEPTICAL SCHIZO does NOT sound beautiful or fragile, it sounds very awkward, it's too long and I/we can't find one single reason why we should keep it. It sounds like we were some fuckin' idiots, cos it is a really stupid name, in my opinion.

LAVRA sounds unique...OK, LET'S TALK ABOUT OTHER MUSIC TOO...ARE YOU INTO ATMOSPHERIC STUFF OR ARE YOU MORE INTO TECHNICAL STUFF? DO YOU HAVE ANY SPECIAL FAVES, MENTION SOME OF THEM..? YOUR OPINION OF THESE BANDS (If you have heard...)

1.LED ZEPPELIN, 2.KALEVALA, 3.MANOWAR, 4.BEHERIT, 5.RUSH ???

-Ooh, I could talk about music for hours...I can't say that I liked this or that kind of music, because I can relate many kinds of musical atmospheres and in fact I want to listen to as many kinds of music as possible, to better understand/appreciate and respect all kinds of approaches to do music. But in general, I respect feeling/honesty and yeah, atmosphere more than things like instrumentation, professionalism or what ever shit.

like very much melodic music, and prefer melody more than rhythm. I listen to metal(all sorts), indie tuff, pop, industrial, punk, hardcore, gothic stuff and I even have bizarre thing going on with country & western music at the moment. My taste is very rock'n'roll oriented, though I'm still trying to understand f.ex. jazz or classical music (though some of that is comprehensible to!). I have too many haves to list really! Mind you, this is only my view about music and does not represent our band's collective tastes or whatever, I know that e.g. Joonas, who actually is the person, whose tastes and visions mostly affect our music sees things very differently and he's really into all weird and more experimental stuff, like ambient, techno, gothic/classical stuff and even some jazz shit. I think that LED ZEP is a classic and they did a lot of great music and that the old cliche about "Stairway To Heaven" being the best rock'n'roll tune ever written is quite near the truth. However, LED ZEP's never been my ultimate faves. I've never heard KALEVALA, but weren't they one of these Finnish progressive bands in the 70's? (Yes.-ED) Must be cool (Yes, some songs.-ED) MANOWAR is one of my greatest faves ever and they are a peculiar band. On the other hand you've never seen a more ridiculous band. On the other hand have you ever seen such devotion, heard such cool songs and stuff? BEHERIT is one of the bands I know a lot about, but I've never felt necessary to check it; I really haven't heard them enough to say ANYTHING, but I guess I wouldn't like them. also RUSH have never been my faves and I don't have their records, but they could be nice to listen someday.

SHORT ANSWER, HO! PLEASE, TELL US SOMETHING ABOUT YOUR ZINE CALLED ELYSIUM..? IS THE 3rd NUMBER OUT ALREADY? MAKING A ZINE IS HARD SOMETIMES, TELL US ABOUT YOUR WORK..?

Yes, ELYSIUM is open for all subcultural forms of rockmusic and I write about bands I really love and review all the stuff that I've been sent. It's pretty simple, I try to write as well as possible, try to write about what I like and try to help out bands/people and on the other hand inform the readers about what's happening. I think it's not hard, because I like all the work that a zine requires, but it's sometimes difficult to find time to keep it up-to-date, that's the only problem. The new, 3rd issue is out

very soon, the lay-out is ready and the zine will go to print soon. It'll have a lot of different stuff and a lot to read.

THAT WAS ABOUT ELYSIUM, WHAT ABOUT YOUR LIFE? DOES IT SUCK SOMETIMES? DO YOU HAVE ANY LIFE PHILOSOPHY, YOU CAN TELL IF YOU WANT? WHAT DO YOU THINK ABOUT IDEAL LIFESTYLE=SATANISM AND WHAT ABOUT THIS STUPID DEVILWORSHIPPING? SORRY THIS TOPIC...

-Yes, of course life can be a real drag sometimes, but I'm actually a quite positive person, with normal up's and downs. I'm not interested in any mysticism or stuff like that, so I can't say anything special. Worshipping is always stupid, though. I have my own philosophy (and philosophy in general is interesting), but it really works on keeping everything straight and simple, being honest and appreciating friendship.

COOL WORDS, MAN! WHATKIND OF "LOOK" YOU HAVE? ARE YOU HIPPIE, YUPPIE, SKINHEAD, REDNECK, ALIEN OR SOMETHING ELSE? WHAT DO YOU THINK ABOUT PERSONALITY? AT LEAST I LIKE PERSONAL PEOPLE...

-Yeah, personality is important, I mean f.ex. I have an urge to be different, I can't help it, but I don't want to be like everybody else. I don't know. I guess I'm a mixture of all kinds of influences, but for sure I'm not anything of those you mentioned.

OK, THIS INTERVIEW IS ALMOST OVER NOW, WAS IT A REALLY BORING, TYPICAL INTERVIEW MADE BY A REALLY RIP OFF ZINE..? HEH HEH. ANY LAST WORDS AND TELL US ABOUT YOUR FUTURE THINGS... THANX TO YOU MIKKO AND GOOD LUCK TO YOU...

-Thanks a lot for the interview. I really enjoyed it. Good luck to you too! (Thanx!-ED) Readers can contact me for further info. Check out the LP, if we get it out somehow!

OK, that was the last interview in this issue... Now everybody contact to Mikko, The address is: LAVRA/ELYSIUM zine, c/o Mikko Lapalainen, Riistapolkku 9, 29600 Noormarkku, Finland.
